All returns and exchanges must be returned to your dealer in person or via shipping (solely at your expense unless in the case of dealership error), in the original box, in new, resalable condition, with all instructions and hardware, and in the condition it was received; otherwise, it is at the dealership's discretion to accept the return.

Installing "smart junction box". Need help! - Snapon ...

I believe that Jaunty is correct in that it more than likely is a Smart Junction Box problem and the best way to handle this is to take it to the dealership. But if only for my own satisfaction, I would be inclined to get a box of assorted fuses and spend a few hours checking each and every one of them before I went to the dealer. One at a time.
