She received specialized diversity training under Title V in 2002. In the late 1990's she was a presenter at the Annual Conference of the National Association for the Education of Young Children in Atlanta, GA and Washington D.C. respectively. She is the co-author of Infants, Toddlers and Caregivers, sixth edition, McGraw-Hill, released in 2004.

### **Erik Erikson's Stages of Psychosocial Development**

You can see a children's development by how they play, learn, speak, and act. Parents play a critical role in their child's development. Providing a safe and loving home and spending time together - playing, singing, reading, and even just talking - can make a big difference! Besides tracking your child's growth and development, you can learn about topics such as developmental disabilities ...
