### **Bing: Safety At The Sharp End**

There are no short cuts, no quick fixes.'14 Experience at the sharp end of clinical practice bears this out and is illustrated by an evaluation of a major patient safety initiative, again sponsored by The Health Foundation, Safer Clinical Systems, to which the author contributed, that some problems identified by safety teams seem insoluble, no matter how committed the team or how ingenious the approach. These larger problems need more resource, policy development or other interventions ...
