Apocalypse ...

The idea that the love in your relationship has expired is a difficult thought for one to stomach. When love turns into hate and fondness into bitterness, and when negative sentiment override seems to be dominating your interactions, it's likely a good time to question whether or not it's worth staying in a relationship that simply may not be making you (or your partner) happy.

The four attitudes that most predict the dissolution of a relationship, especially in combination, are criticism, defensiveness, contempt and stonewalling. Dr. John Gottman, a psychologist at the University of Washington, studied more than 2,000 married couples over two decades. He discovered patterns about how partners relate to each other which can be used to predict - with 94% accuracy - which marriages will succeed and which will fail.
