SFPE. SFPE's mission is to define, develop and advance the use of engineering best practices; expand the scientific and technical knowledge base; and educate the global fire safety community in order to minimize fire risk.

History of Fire Protection Engineering - SFPE

This lack of recognition for our field began to change with the publication of the first edition of the SFPE Handbook of Fire Protection Engineering in 1988.

Understanding an important need of our profession, a group of FPEs, led by Philip DiNenno, came upon the idea for this handbook.
