Your chapter-by-chapter book outline is a pumped-up version of the simple book outline. To get started, first create a complete chapter list. With each chapter listed as a heading, you'll later add material or shift chapters around as the draft

evolves. Create a working title for each chapter, and list them in a logical order.

An outline template is often necessary when it comes to chapter writing. At the end of the day, you want to make sure you have a chapter, which not only reads well but also has a message for the reader. Try using this template to create the outline. Download.

How To Outline A Nonfiction Book [With Free Template]

Your book outline is the structure of your book, and thus incredibly important. If you start writing without a good outline template, the process will take forever and your book will be haphazard and incomplete. Worse, having no outline often leads to not finishing your book at all. The outline is also your best defense against fear, anxiety, procrastination, and writer’s block.
