Again, people are never taught how to build wealth, which is why we have a nation in credit card debt. Moreover, they are never taught the power of passive income streams and how to really break free from the rat race of working 9-to-5. There is a whole body of literature on this topic which is never even touched upon in traditional education.

### **Seven Things They Don't Teach You In Business School**

Still, the current curriculum which plagues many high schools just doesn't prioritize the teaching of these life skills -- or leave much room for it. Some argue that it's not a school's job to deal with these issues, and while that's a valid point, we high schoolers spend 40 hours a week at these institutions -- we ought to be learning about ...
