Whos In Charge Free Will For an excellent philosophical discussion of free will that follows up very closely on Who's in Charge, see Freedom Regained by Julian Baggini. Baggini even quotes Who's in Charge in his own book. To understand both the science and philosophy of free will, I highly recommend Who's in Charge followed by Freedom Regained. ...

Who's in Charge: Free Will and the Science of the Brain

The prevailing orthodoxy in brain science is that since physical laws govern our physical brains, physical laws therefore govern our behaviour and even our conscious selves. Free will is meaningless, goes the mantra; we live in a "determined" world. Not so, argues the renowned neuroscientist Michael S. Gazzaniga as he explains how the mind, ...
